Hi Carrie-

I could not have been more pleased with our party and all the arrangements you made with such great attention to detail! Not one thing was overlooked or came up short...

The carving station was a HUGE success-people commenting on it even today-all of the food was tasty and beautifully displayed and Yvonne and staff were gracious and professional.

Thank you for planning a wonderful party for us-you are a true professional at this and it shows!

*Kindly,  
Diane*
