Dear Carrie:

We wanted to write to thank you, your supervisors, Carson Valley Inn's owners and all of the wonderful Banquet & Convention staff at Carson Valley Inn for providing such a great venue and impeccably coordinated logistics for our November 17 & 18, 2011 "You're Hired" seminar. Holding our seminar at the Carson Valley Inn helped our office provide job seekers with the tools and a practical road map to make their journey back to employment a success.

The Carson Valley Inn provided us with an ideal setting for conducting a productive two-day event for the attendees. We received many positive comments from the participants who voiced their appreciation for having the event held in such a convenient location and in such an exceptional meeting room. Your arranging for a separate room for the luncheon was most appreciated by all; this arrangement provided a nice break in the day and was especially valued by our speakers and our staff. The food was displayed in a visually appealing way, was delicious and enjoyed by all.

We were so impressed with the quality of the rooms provided, the professionalism and attentiveness of all the staff we worked with and the great value you provided to our office. We know there are many people "behind the scenes" who made our event a success, we hope you will express our gratitude to each of them.

Carson Valley Inn's commitment to the residents of Carson Valley is commendable and is shown in many ways throughout the year. Carson Valley Inn's willingness to partner with the Douglas County Social Services' Employment Training/Job Development Program on this event is another example of this commitment and we wish to thank you so much for your substantial contributions to our local area and residents.

With our sincere appreciation,
